

2013 Annual Meeting Disclosure Information

Annual Meeting Program Committee Members

Chair

Stuart L. Abramson, MD PhD FAAAAI

Shannon Medical Center (Director, Allergy/Immunology Clinical Service)

Organizational: American Lung Association - Advisory Board Member; Greater Houston Allergy Society - Academic Liaison; Texas Allergy, Asthma, and Immunology Society - Immediate Past-President

Competing Relationships: NIH-NIAID - Grant paid to Baylor College of Medicine

Vice Chair

Paul V. Williams, MD FAAAAI

Northwest Asthma and Allergy Center (Director)

Conflict Resolution: I have announced this relationship before programs and meetings.

Organizational: ACAAI - Committee Member; American Academy of Pediatrics - Immediate Past Chair, Section on Allergy & Immunology; Chair, Section Forum Management Committee; Washington State Society of Allergy, Asthma & Immunology - Past President

Executive Council Members

A. Wesley Burks, MD FAAAAI

The University of North Carolina at Chapel Hill (Chair and Professor of Pediatrics)

Organizational: NIH HAI - Study Section Member

Speaker: Abbott Laboratories; Mylan Specialty

Consultant: Dow AgroSciences; ExploraMed Development, LLC; Merck & Co; Novartis Pharma AG; Schering-Plough; Unilver

Competing Relationships: National Institutes of Health - Grantee; FAI - Chair, Research Advisory Board; McNeill Nutritionals - Consultant

Advisory Board: Merck

Stocks: Allertein

Linda Cox, MD FAAAAI

Allergy and Asthma Center (physician owner)

Advisory Board: Genentech

Competing Relationships: Stallergenes - Research/consultant

Consultant: Novartis - adjudication committee

Organizational: ABAI - Board of Directors; ACAAI - Annals of Allergy, Asthma and Immunology Editorial Board; Allergy & Asthma Editorial Board; Allergy & Asthma Proceedings Editorial Board; Past president Broward County Medical Association; JACI; Joint Council of Allergy, Asthma and Immunology Society Membership Recruitment Committee 2003-; Reimbursement and Coding Advisory Committee 2004; Sublingual Immunotherapy Joint Task Force Co-chair 2004-present; ACAAI Chair Immunotherapy and Diagnostic Committee; Member of the Joint Task Force of Practice Parameters; Allergy & Asthma Proceedings - editorial board; Broward County Medical Association - Board of Directors; Broward County Medical Society - Past president; Current Board of Directors; Broward Palm Beach Allergy Society - President Broward chapter; FDA Allergenic Products Advisory committee - consultant /temporary voting member; Florida Medical Association - Board of Governors term completed 7/2010; JCAAI - STRIKE force; Joint Task Force on Practice Parameters - member leave of absence; South Florida Caucus Advisory Council - chair completed term

Jeffrey G. Demain, MD FAAAAI

Allergy, Asthma and Immunology Center of AK (Director and Founding Partner)

Organizational: ACAAI - Fellow; Alaska Society of Allergy Asthma & Immunology - Founder and Past-President; Alaska State Medical Association - Member & Delegate; American Academy of Pediatrics - Fellow; American Medical Association - Member; Anchorage Medical Society - Member and Delegate to the State Medical Association; Asthma & Allergy Foundation of America, Alaska Chapter - Founder and Past-President; Chair, Medical Advisory Committee; RSLAAIS - Governor Region 6; State of Alaska, Climate Change Advisory Group - Delegate; University of Alaska, Anchorage - Adjunct Clinical Professor; University of Washington - Associate Clinical Professor

Maureen George, PhD RN AE-C

University of Pennsylvania School of Nursing (Assistant Professor)

Competing Relationships: NIH - research support; Merck - speaker; Pharmaxis - speaker; Novartis - speaker and consultant
Organizational: AAE - volunteer; AAFA, ALA, ATS, AAE - Volunteer; NRTC, ALA Mid Atlantic - Board of Directors

Michael H. Land, MD FAAAAI

Duke University Medical Center (Assistant Professor of Pediatrics)

Advisory Board: Mylan Specialty

Speaker: Baxter Bioscience; Mylan Specialty

Elizabeth Matsui, MD

Johns Hopkins University School Medicine (Associate Professor)

Competing Relationships: Leukemia and Lymphoma Society - Funds spouse's research; National Institutes of Health - Funds several research projects of which I am either the Principal Investigator or the Co-Investigator. Funds spouse's research. Funds several research projects of which my spouse is either the Principal Investigator or the Co-Investigator.; The Lustgarten Foundation - funds spouse's research; The Multiple Myeloma Research Foundation - Funds spouse's research; ThermoFisher - Pharf Prize Awardee

Organizational: AAP - No remuneration. Serve on SOAI executive committee; NIH/NCI - Spouse serves as committee co-chair

Jordan Orange, MD PhD FAAAAI

Baylor College of Medicine (Professor)

Organizational: American College of Allergy Asthma and Immunology - Committee on clinical immunology (2009-2012), Annual meeting Program Committee (2009-2012); Clinical Immunology Society - Appointed Councilor; Frontiers in Immunology - Primary Immunodeficiency - Associate Editor; Immune Deficiency Foundation - Medical Advisory Council; Journal of Allergy and Clinical Immunology - Editorial Board; Journal of Clinical Immunology - Editorial Board; US Immunodeficiency network - Advisory Committee

Competing Relationships: NIH - Research Grant; Baxter Bioscience - Consultant; Cangene - Consultant; CSL Behring - Consultant; IBT reference laboratories - Consultant; Grifols - Consultant

Honorarium/Gift: Immune Deficiency Foundation; Denver Allergy and Immunology Society; UpToDate Inc; none; none; none; none

Dennis R. Ownby, MD FAAAAI

Georgia Health Sciences University (Prof. Ped./Int. Med.)

Organizational: Merck Childhood Asthma Network - Member, Advisory Board; National Heart Lung and Blood Institute - Data-safety Monitoring Board; National Institutes of Allergy and Infectious Diseases - Data-Safety Monitoring Board

Robert P. Schleimer, PhD FAAAAI

Northwestern University Feinberg School Medicine (Prof. Med., Chief, Div. Al./Imm.)

Competing Relationships: GSK - Consulting; NIH/NHLBI - grant R37; NIH/NHLBI - grant R01; Allakos - Consulting/Stock; Aurasense - Consulting/Stock; Biomark - Consulting/Stock; GeneSmart - Consulting/Stock; Intersect ENT - Consulting; NIH/NIAID - grant U01

Alkis Togias, MD FAAAAI

NIAID/NIH (Section Chief, Asthma and Airway Biology)

Members

Leonard B. Bacharier, MD FAAAAI

Washington University (Professor of Pediatrics)

Competing Relationships: NIH/NHLBI - Investigator: AsthmaNet, Severe Asthma Research Program; GlaxoSmithKline - Honoraria for lectures; Merck - Honoraria for lectures

Conflict Resolution: Will present data from a variety of published peer-reviewed studies.

Organizational: AAAAAI - Fellow, Editorial Boards of JACI and JACI: In practice

Fuad M. Baroody, MD FAAAAI

University of Chicago (Professor)

Competing Relationships: Merck Inc., GlaxoSmithKline, Schering - Speaker Honoraria, consultant

Bruce G. Bender, PhD FAAAAI

National Jewish Medical and Research Center (Head, Pediatric Behavior Health)

Competing Relationships: GlaxoSmithKline - research funding; Merck - speaker
Organizational: American Thoracic Society - Behavior Science Assembly

Francisco A. Bonilla, MD PhD FAAAAI

Children's Hospital Pediatric Associates (Director, Clinical Immunology Program)

Advisory Board: American Research Group (Green Cross); Octapharma; Blood Product Advisory Committee FDA

Competing Relationships: UpToDate - Author

Conflict Resolution: In all presentations and discussions I will use evidence-based and generic statements unless circumstances require product or manufacturer-specific designations.

Consultant: SpringLeaf Pharmaceuticals, Inc.

Honorarium/Gift: CSL Behring, Inc.; Immune Deficiency Foundation Consulting Immunologist Program

Organizational: Immune Deficiency Foundation - Medical Advisory Committee

Mariana C. Castells, MD PhD FAAAAI

Brigham and Women's Hospital (Director AI Training Program)

Organizational: Abbott - Consultant Adverse Drug reactions Committee; Merck - Consultant Adverse Drug Reactions Safety Committee; Schering Plough - Adverse Drug Reactions Committee; The Mastocytosis Society - Member, Medical Advisory Board. Received a grant to establish the Mastocytosis Registry
Organizational: Abbott - Consultant Adverse Drug reactions Committee; Merck - Consultant Adverse Drug Reactions Safety Committee; Schering Plough - Adverse Drug Reactions Committee; The Mastocytosis Society - Member, Medical Advisory Board. Received a grant to establish the Mastocytosis Registry

Timothy J. Craig, DO FAAAAI

PA State College Medicine (Professor of Medicine and Pediatrics)

Conflict Resolution: Discuss my conflicts before speaking and having them presented on a slide. Avoid anything but generic terms. Present fair balance. Review presentation with colleagues to ensure balance. Organizational: AAAAI - Interest Section Leadership; ACAAI - past board member; AOA, ACOI - member and officer in ACOI; JCAAI - past board member

Competing Relationships: CSL Behring - Consultant, speaker, Researcher; Dyax - speaker, consultant; Forest - researcher; Genentech - speaker; Grifols - speaker; GSK - researcher; Merck - Speaker; Novartis - consultant; Shire - Researcher and speaker; Teva - speaker; Viropharma - speaker, grantee

Mitchell H. Grayson, MD FAAAAI

Medical College of Wisconsin (Assoc. Prof. of Pediatrics, Medicine, Microbiology and Molecular Genetics)

Competing Relationships: National Institutes of Health - Grantee; Merck - Grantee

Organizational: AAI - Associate Editor of the Journal of Immunology; ACAAI - Deputy Editor of the Annals of Allergy, Asthma, and Immunology; ACAAI - Literature Review Committee; ACAAI - Abstract Review Committee; ACAAI - Annual Meeting Committee; ACAAI - Symposia Committee

Research Grant: Children's Research Institute of the Children's Hospital of Wisconsin

Angela Haczku, MD PhD FAAAAI

University of Pennsylvania (Research Associate Professor of Medicine)

Advisory Board: NIH; Veterans Administration; Wiley

Competing Relationships: NIH - Principal Investigator; GSK - Principal Investigator; Janssen - Principal Investigator; Roche - Principal Investigator

David A. Khan, MD FAAAAI

University Texas SW Medical Center (Professor of Medicine)

Competing Relationships: Baxter - Speaker's Bureau; Genentech - Speaker's Bureau; Merck - Speaker's Bureau; NIH - Co-investigator on 2 studies; Vanberg Family Fund - Primary investigator on studies of mechanisms of rush immunotherapy and nasal polyposis; Viropharma - Speaker's Bureau

Organizational: ACAAI - Co-chair, Allied Health Symposium Committee; JCAAI - Member of Joint Task Force on Practice Parameters; ACAAI - Co-chair, Conjoint Board Review Committee

Gurjit K. Khurana Hershey, MD PhD FAAAAI

Cincinnati Children's Hospital Medical Center (Professor Pediatrics)

Competing Relationships: NIH - Grant

Désirée E.S. Larenas Linnemann, MD FAAAAI

Own employer (Head Private Allergy-asthma Clinic)

Organizational: ACAAI - Member immunotherapy committee; ARIA - Country coordinator ARIA Mexico; CMICA - Chair immunotherapy committee; WAO - member special committee on immunotherapy; EAACI - member Task Force on Adverse Events reporting

Speaker: MSD, AstraZeneca, GSK

Honorarium/Gift: Allerquim, ALK, Greer, Novartis, UCB

Consultant: Pfizer, Hollister-Stier

Conflict Resolution: I do not accept major financial support, generally it is only speakers fee or limited financial support to attend a meeting. I have relationships with several entities only to improve the practice of allergy in general and immunotherapy specifically. I do not accept to give talks to promote directly one brand, but more to promote how to diagnose and treat different allergic diseases in the right way. As my relationship has been with several, they balance against one another.

Tao Tuan Le, MD MHS FAAAAI

Central Allergy & Asthma (Partner)

Organizational: ACAAI - Chair, CME/CPD Committee; ATS - Vice-Chair, Education Committee

Susan M. MacDonald, MD FAAAAI

JHUSM (Professor/Associate Chair)

Advisory Board: Acquinox Pharmaceutical Inc.

Organizational: Acquinox Pharmaceutical Inc. - Scientific Advisory Board

Stephen J. McGeady, MD FAAAAI

Nemours Foundation (Attending Physician Division of Allergy & Immunology)

Giselle Mosnaim, MD MS FAAAAI

Rush University Medical Center and Stroger Hospital of Cook County (Assistant Professor and Consulting Attending Physician)

Stocks: Electrocore, LLC.

Advisory Board: Electrocore, LLC.

Competing Relationships: National Heart Lung Blood Institute - Research Grant

Organizational: Chicago Asthma Consortium - Serve on the Board of Directors; Illinois Society of Allergy Asthma and Immunology - Executive Committee

Kari C. Nadeau, MD PhD FAAAAI

Stanford University School of Medicine (Academic Faculty)

Sally A. Noone, RN MSN CCRC

Mt. Sinai Medical Center (Clinical Research Manager)

Organizational: Food Allergy and Anaphylaxis Network - Newsletter editor for medical content

John Oppenheimer, MD FAAAAI

Pulmonary and Allergy Associates (Director of Research)

Competing Relationships: Medimmune - research; Novartis - Research/; AstraZeneca - Research/consultant; GlaxoSmithKline - Research/consultant; Merck - Research

Karin A. Pacheco, MD MSPH FAAAAI

National Jewish Medical and Research Center (Assistant Professor)

Organizational: AAAAI/ACAAI - Committee to revise Contact Dermatitis practice parameters; ACOEM - REST Committee to develop diagnostic and treatment guidelines for occupational asthma

Elena E. Perez, MD PhD FAAAAI

University of Miami (Associate Professor)

Conflict Resolution: I limit my talks and discussions to educational/academic content only. I do not function as a spokesperson for any particular drug or brand.

Consultant: Baxter; CSL Behring

Anju T. Peters, MD FAAAAI

Northwestern University Medical School (Associate Professor)

Consultant: Baxter; Legal Expert

Conflict Resolution: The relationship does not have a bearing on my activities at the AAAAI

Wanda Phipatanakul, MD MS FAAAAI

Boston Children's Hospital (Associate Professor of Pediatrics)

Sarbjit Singh Saini, MD FAAAAI

Johns Hopkins Allergy Asthma Center (Training Program Director)

Organizational: Allergy - Associate Editor; Journal of Investigative Dermatology - Associate Editor; UpToDate - Section Editor
Competing Relationships: NIH - Research; Genentech - Consultant/research; Novartis - Consultant

Mark F. Sands, MD FAAAAI

Univ. Buffalo, SUNY School of Medicine & Veterans Administration (Associate Professor of Medicine; Staff Allergist and DEO VHAWNYHCS)

Organizational: Buffalo Allergy Society - Past President

Lynda C. Schneider, MD FAAAAI

Children's Hospital Boston (Director, Allergy Program; Director, Immunology Clinical Research Program)

Research Grant: Astellas

Competing Relationships: NIH Atopic Dermatitis Research Network - Investigator; Food Allergy Initiative - Research Advisory Board; Thrasher Foundation - Investigator

Consultant: CSL Behring; Meda Pharmaceuticals

Organizational: National Eczema Association - Scientific Advisory Board

Debra A. Sedlak, MSN CPNP

Duke University Medical Center (pediatric nurse practitioner)

Organizational: Immune Deficiency Foundation - Member Nurse Advisory Committee

Christine M. Seroogy, MD FAAAAI

University of Wisconsin (associate professor)

Competing Relationships: Midwest Athletes Against Childhood Cancer - grant recipient; Upper Midwest Agricultural Safety and Health Center - grant recipient

Jonathan M. Spergel, MD PhD FAAAAI

Children's Hospital of Philadelphia (Prof Peds, Chief Allergy Section)

Advisory Board: dannone

Competing Relationships: DBV - Scientific Board of Directors; Department of Defense - Investigator; NIH - Investigator; MEI - Speaker

Organizational: AAP - Fellow; ACAAI - Fellow; American Partnership for Eosinophilic Disorders - Medical Advisory Board; F1000 - reviewer; Frontiers in Immunology - Reviewer; International Association for Food Protein Enterocolitis - Medical Advisory Board; Pennsylvania Allergy Society - Member; UpToDate - author

Speaker: Abbott

Martin Wagenmann, MD FAAAAI

Heinrich-Heine University Duesseldorf (Head of Rhinology, Allergy, and Endoscopic skull base surgery)

Organizational: German Society of Allergology and Clinical Immunology - Head of the Section Otorhinolaryngology

Speaker: Allergopharma J. Ganzer KG, Germany; HAL Allergies GmbH, Germany

Consultant: Bionorica SE, Germany; HAL Allergies GmbH, Germany

Julie Wang, MD FAAAAI

Mount Sinai School of Medicine (Assistant Professor of Pediatrics)

Competing Relationships: NIH - K23 grant

Advisory Board: JDP Therapeutics, Inc; Sanofi

Andrew G. Weinstein, MD FAAAAI

Asthma Management Systems (President)

Competing Relationships: NIH R43HL115846 entitled, "An Asthma Adherence Telehealth System to Improve Asthma Management." - Principal Investigator; Asthma and Allergy Foundation of America - consultant; Merck Gant Improving Asthma Control in the Real World: - Principal Investigator

Research Grant: NIH R44HLO78252 "Computerized Adaptive Assessment of Asthma Impact

Nives Zimmermann, MD FAAAAI

Children's Hospital Medical Center (Associate Professor)

Competing Relationships: NIH - PI on grant

Faculty

Rob C. Aalberse, PhD

retired (Emeritus Professor)

Donald W. Aaronson, MD FAAAAI

JCAAI (Executive Director)

Juan Pablo Abonia, MD

Cincinnati Children's Hospital Medical Center (Associate Professor of Pediatrics)

Competing Relationships: Cephalon (Formerly Ception) - An efficacy and safety study of reslizumab (CTX55700) in the treatment of eosinophilic esophagitis in subjects aged 5 to 18 years, Investigator at CCHMC; NIH/NIAID - Interleukin-9 in Experimental Intestinal Anaphylaxis; NIH/NIAID (CoFAR) 2 - Eosinophilic Esophagitis and Food Allergy; Teva (Formerly Cephalon) - An open-label safety and efficacy study of reslizumab (CTX55700) for the treatment of pediatric subjects with eosinophilic esophagitis who completed study RES-5-0002, Investigator at CCHMC

Roshini S. Abraham, PhD FAAAAI

Mayo Clinic (Associate Prof of Med & Lab Med & Pathology)

Soman N. Abraham, PhD

Duke University Medical Center (Professor); Duke University (Professor)

Competing Relationships: NIH - Grant Awardee

Seema Sharma Aceves, MD PhD FAAAAI

University of California, San Diego (Associate Professor, Pediatrics, Medicine)

Competing Relationships: NIH - Research Grant; GlaxoSmithKline - Research Grant

Organizational: American Partnership for Eosinophilic Disorders - Medical advisory board member; The International Gastrointestinal Researchers - Executive Steering Committee

Stocks: Meritage; Patent royalties on oral viscous budesonide

Steven J. Ackerman, PhD

University of Illinois at Chicago (Professor of Biochemistry and Molecular Genetics, and Medicine)

Organizational: American Partnership for Eosinophilic Diseases (APFED) - Member of the APFED Medical Advisory Panel; Campaign Urging Research on Eosinophilic Diseases (Cured Foundation) - Member of the Honorary Board of Directors; Research for Eosinophilic Disorders (R.F.E.D.) - Member of the Advisory Board

Daniel C. Adelman, MD FAAAAI

Alvine Pharmaceuticals, Inc. (Senior Vice President, Development)

Organizational: Clinical Immunology Society - Secretary/Treasurer

Allen D. Adinoff, MD FAAAAI

CO Allergy and Asthma Center (Physician Owner)

Tanupriya Agrawal

Creighton University

Cezmi A. Akdis, MD FAAAAI

Swiss Inst. Allergy and Asthma Research (Director)

Organizational: EAACI - Ex-Com Member; President; GA2LEN, Global Allergy And Asthma European Network - Assembly Member, Swiss Representative, Work Package Leader

Mubeccel Akdis, MD PhD

Swiss Inst. Allergy and Asthma Research (Head of Immunodermatology)

Organizational: WIRM, World Immune Regulation Meeting, Davos - Organizing committee

Cem Akin, MD PhD FAAAAI

Brigham and Women's Hospital (Associate Professor)

Competing Relationships: Novartis - Consultant

Conflict Resolution: Consultancy agreement is reviewed and approved by my hospital.

Organizational: European Competence Network on Mastocytosis - Advisor; The Mastocytosis Society - Medical Advisory Board

Rafeul Alam, MD PhD FAAAAI

National Jewish Health (Professor and Director, Allergy and Immunology)

Competing Relationships: NIH - NIH Grantee; Elsevier, Inc - Consulting Editor for Immunology & Allergy Clinics

Neil Alexis, PhD

Center Environmental Med. Asthma/Lung Biology (Associate Professor of Pediatrics)

Zoulfia Allakhverdi, PhD FAAAAI

Research Center, Notre-Dame Hospital (Associate Investigator)

Katrina Jane Allen, MD PhD FAAAAI

Royal Children's Hospital (Paediatric Gastroenterologist/Allergist)

Speaker: Danone/Nutricia; Pfizer/Wyeth; Abbott

Beth A. Allison, NP

Family Asthma & Allergy Care (Nurse Practitioner)

Matthew C. Altman, MD

University of Washington

Bill T. Ameredes, PhD

University of Texas Medical Branch (Associate Professor)

David J. Amrol, MD FAAAAI

University of South Carolina (Associate Professor of Clinical Medicine)

Consultant: Dyax

Organizational: South Carolina Allergy Society - President

James J. Anderson, MLT

Environmental Allergy Assays (Aerobiologist)

Sandra D. Anderson, PhD DSc

Royal Prince Alfred Hospital (Clinical Professor)

Competing Relationships: Pharmaxis Pty Ltd - Share Holder less than \$40,000 US I purchased the shares on the open market.

Arjun Anilkumar

Andrea J. Apter, MD MA MSc FAAAAI

University of Pennsylvania (Professor of Medicine)

Competing Relationships: NHLBI - RC1 (funded), Career Development Award (funded); Bristol-Myers Squibb/AstraZeneca - co-investigator on diabetes drug research program

Conflict Resolution: The research grant from Bristol-Myers Squibb and AstraZeneca is paid directly to my institution, and 2.5% of my salary is supported by these grant funds. It focuses on a diabetes drug, and is not related to any of their respiratory products.

Organizational: American College of Asthma Allergy & Immunology - Fellow; American College of Physicians - Fellow; American Thoracic Society - Behavioral Science Assembly program committee; Associate Editor - Journal of Allergy & Clinical Immunology; Consultant - UPTODATE

Adriana Ariza Veguillas

IMABIS Foundation, Carlos Maya Hospital

Peter D. Arkwright, MD PhD FAAAAI

University of Manchester (Senior Lecturer in Paediatric Immunology)

Larry M. Armor, PA MHA

Allergy Partners, PA (CFO)

Jeanette L. Arnold, MSN RN C-FNP

University MS Medical Center (Instructor of Medicine, Family Nurse Practitioner)

Organizational: AAFA - see addition of faculty position with AAFA; ACAAI - AH program speaker at Nov. 2012 meeting

Noga Askenazi, MD FAAAAI

Advanced Allergy and Asthma Associates (Owner/Physician)

Organizational: ISAAI - President

Ulus Atasoy, MD FAAAAI

University of Missouri (Vice Chair of Research)

Competing Relationships: NIH - Principal Investigator; Harry S. Truman VA - Allergist part-time

Fred (Dan) McDaniel Atkins, MD FAAAAI

National Jewish Health (Head, Division of Ambulatory Pediatrics)

Organizational: APFED - Medical Advisory Board

K. Frank Austen, MD FAAAAI

Brigham and Women's Hospital (Prof. Medicine)

Pedro C. Avila, MD FAAAAI

Northwestern University Feinberg School of Medicine (Professor)

Competing Relationships: NIH - Grant

Organizational: ACAAI, CIS, ATS, ACP, AAP, ISAAI. - Member

Thomas J. Backenson, MD

Fort Belvoir Community Hospital/ U.S. Army (Allergist/Immunologist)

Byoung Joon Baek

Department of Otolaryngology, Cheonan Hospital, Soonchunhyang University (Professor)

Heysung Baek, MD

Gangdong Sacred Heart Hospital (Pediatric Allergy/Immunology Staff)

Sami L. Bahna, MD DrPH FAAAAI

LA State University Health Sciences Center (Prof. Ped./Med., Chf. Al./Imm.)

Consultant: Dyax

Organizational: ACAAI - Executive Committee & Board of Regents

Competing Relationships: Abbott - Speaker

Sakina S. Bajowala, MD FAAAAI

Kaneland Allergy and Asthma Center (Physician/Owner)

Competing Relationships: Baxter - Speaker

Conflict Resolution: I will include balanced information from FDA-approved immunoglobulin preparations, and will refrain from using brand-names in any presentation discussing the use of intravenous or subcutaneous immunoglobulin.

Organizational: FPIES Foundation - Member, Medical Advisory Board

James W. Baker, MD FAAAAI

James W. Baker, M.D., LLC (Allergist in private practice, principle investigator for clinical studies)

Competing Relationships: Genentech - principle investigator; Merck - principle investigator; Novartis - principle investigator; GlaxoSmithKline - principle investigator; Pharming - principal investigator; Viropharma - principle investigator; array - principle investigator; Berinert - principal investigator

Ronald C. Balkissoon, MD MSc

Contract Physician at National Jewish Health (Staff Physician)

Competing Relationships: AstraZeneca - Speaker's Bureau and Advisory Board; Forest - Speakers Bureau and Advisory Board; GlaxoSmithKline - Speaker's Bureau and Advisory Board; Novartis - Speaker's Bureau and Advisory Board; Genentech - Speaker's Bureau and Advisory Board

Zuhair K. Ballas, MD FAAAAI

University of Iowa Health Care (Professor of Medicine)

Competing Relationships: Talecris - Funding made to the University of Iowa to support the salary of one Allergy/Immunology Fellow; Veterans Administration - Received Merit grant; NIH - Received grant

Honorarium/Gift: Up-To-Date; Immune Deficiency Foundation

Organizational: Clinical Immunology Society - Member of Nominating committee; Immune Deficiency Foundation - immunodeficiency consultant, Medical Advisory Council; Journal of Clinical Immunology - Serving as an Associate Editor; NIAID - Data Safety Monitoring Board

Mark Ballow, MD FAAAAI

Self-employed

Organizational: Immune Deficiency Foundation - Medical Advisory Committee; Immune Deficiency Foundation/USIDNET - Le Bien visiting professorship; Korean Green Cross - Medical Board member for Phase III PSMB Medical Trial

Speaker: ACAAI; AAAAI; Grifols; Baxter; CSL Behring; IDF and USIDNET

Conflict Resolution: disclosure of relationships

Competing Relationships: CSL Behring - consultant

Advisory Board: CSL Behring; Baxter; Grifols

Hari Bandla, MD

University of Chicago (Associate Prof of Pediatrics)

Audreesh Banerjee, MD

University of Pennsylvania (Instructor, Department of Medicine, Division of Pulmonary, Allergy and Critical Care Medicine)

Aleena Banerji, MD

Massachusetts General Hospital (Assistant Professor)

Advisory Board: Shire; Dyax; CSL Behring

Research Grant: Shire

Alan P. Baptist, MD MPH FAAAAI

University of Michigan, Division of Allergy (Associate Program Director)

Competing Relationships: AAAAI - Research Support; NIH-AHRQ - Research support; Dyax - Research Support; Genentech - Research Support; MedImmune - Research Support; ViroPharma - Speakers Bureau

Conflict Resolution: Introduction slide and announcement of any possible conflicts

Consultant: CSL Behring

Charles S. Barnes, PhD

Children's Mercy Hospital (Director of the Allergy/Asthma/Immunology Research Laboratory)

Competing Relationships: US Department of HUD - Investigator; NIH - Principal Investigator on a Research Grant; Rock Acres LLC - Member of Family Corporation engaged in Farming and Timber production.

Organizational: Pan American Aerobiology Association - Vice President

Kathleen C. Barnes, PhD FAAAAI

Johns Hopkins University (Professor of Medicine)

Competing Relationships: National Institutes of Health - PI/Co-PI/Co-Invest/Collaborator on NIH grants; Sanofi-Aventis - Consultant; Genentech - Consultant; Sirius Genomics - Investigator

Nora A. Barrett, MD

Brigham and Women's Hospital (Instructor in Medicine)

Hiba Bashir, MD

University of Wisconsin Hospitals & Clinics

Sachin N. Baxi, MD

Children's Hospital Boston (Instructor of Pediatrics)

Lisa A. Beck, MD FAAAAI

University of Rochester Medical Center (Professor of Medicine and Dermatology)

Competing Relationships: Genentech - Clinical Study Phase 2; Regeneron - Clinical study Phase 1; Merck - Husband is Speaker for them

Organizational: Journal of Investigative Dermatology - Section Editor; National Eczema Association - Scientific Advisory Board; Society of Investigative Dermatology - Board of Directors

Lisa Beppu

Cecilia Berin, PhD

Mount Sinai School of Medicine (Associate Professor)

Competing Relationships: National Institutes of Health - Grantee

Cheryl K. Bernstein, RN BSN CCRC

Bernstein Clinical Research Center, LLC (Director of Clinical Research)

Competing Relationships: Glaxo - Research Grant; Merck - Research Grant; Novartis - Research Grant; Pfizer - Research Grant; Teva - Research Grant

Jonathan A. Bernstein, MD FAAAAI

Bernstein Allergy Group and Clinical Research and University of Cincinnati (Professor of Medicine)

Competing Relationships: AstraZeneca - PI and Sub PI; Boehringer-Ingelheim - PI; Dyax - speaker, consultant, principal investigator; GSK - Sub-PI; Journal of Asthma - Editor in Chief; Merck/Schering Plough - Sub-PI; TEVA - speaker, sub-PI; AMGEN - Sub-PI; Basilea/Covance Atopic Dermatitis - Sub-PI; Cephalon - Sub-PI; CSL Behring - Consultant, speaker and principal Investigator; Flint Hills Resources - Consultant for Immunosurveillance; Forest - PI; Genentech - PI; Greer - Sub-PI; Medimmune - PI and sub-PI; Novartis - PI in research; Pfizer - Sub-PI; Pharming - Principal Investigator; Roxane - Sub-PI; Sepracor - Sub-PI; Shionogi - PI; Shire - Consultant, speaker and principal investigator; ViroPharma - speaker and investigator; Hi-Tech - research and consultant

Conflict Resolution: I am a PI or Sub-PI for multicenter double blind placebo controlled trials, a physician initiated investigator and Consultant and speaker for biopharm companies. I have disclosed all of my potential financial conflicts. I have taken the Hippocratic oath to be my patient's advocate at all times. These interests do not influence my approach to patient care.

Organizational: AAAAAI - Chairman of symposium committee for EORD; EORD representative to plenary committee; ACAAI - Fellow of ACAAI; AFI - Chairman; Allergy Asthma Proceedings - Editorial Board; Annals of Allergy Asthma and Immunology - Editorial Board; Cincinnati Allergy Society - Past-President; ERT - Northwestern and University of Cincinnati Honor fund chairman; HAEA organization - Medical Advisory Board; JACI - Editorial Board; Journal of Angioedema - Editorial Board

Randi J. Bertelsen

Norwegian Institute of Public Health (Postdoctoral Student)

Bruce Beutler, MD

UT Southwestern Medical Center (Director and Regental Professor)

Organizational: MiniVax - Consultant

Competing Relationships: AstraZeneca - Speaker; Atyr - Consultant; Sound Pharmaceuticals - Consultant

Kirsten Beyer, MD

Charité Universitätsmedizin Berlin, Children's Hospital, Humboldt University, Berlin, Germany (Full Professor, Faculty Member, Medical Doctor)

Competing Relationships: European Union - Grant Support; Foundation for the treatment of peanut allergy - Grant Support; German Research Foundation - Grant Support; Danone - Grant Support and Honoraria

Organizational: DGAKI - Interest Groups; EAACI - Interest Groups; GPA - Interest Groups

Leonard Bielory, MD FAAAAI

STARx Allergy and Asthma Center (Director of Research and Development)

Competing Relationships: Genentech - Grant Support; Allergan - Consultant - Research; Bausch & Lomb - Consultant; ISTA - Consultant; Merck - Grant Support; Sanofi-Aventis - Consultant; Pharmacal - Consultant - Research

Organizational: ACAAI - Joint Task Force Practice Parameter Development; ACAAI - Board of Regents

Clifton O. Bingham, III, MD

Johns Hopkins University (Associate Professor of Medicine)

Organizational: OMERACT (Outcome Measures in Rheumatology) - Executive Committee

Competing Relationships: BMS - Research Grant to institution; Genentech - Research Grant to institution; UCB - Research Grant to institution; Pfizer - Consultant; NIH - Grant to institution; American College of Rheumatology - Grant to institution

Conflict Resolution: will ask for external review of slides to ensure no bias

Consultant: Abbott; Amgen; BMS; Janssen/J&J; Celgene; Lilly; Novartis; UCB; Genentech/Roche

J. Andrew Bird, MD FAAAAI

University of Texas Southwestern Medical Center (Assistant Professor)

Speaker: Nutricia

Conflict Resolution: I completed the seminar, "Faculty Roles and Responsibilities in Certified Continuing Medical Education (CME) and FDA Regulated Speaker Programs (RSP) - There is a Difference" on 11/19/2012. In addition, I present only slides I have prepared for requested talks and do not present industry-provided slides.

Organizational: FPIES Foundation - Medical Advisory Board Member

Michael S. Blaiss, MD FAAAAI

Allergy and Asthma Care (Physician)

Competing Relationships: Genentech - Speaker; Merck - Consultant, Speaker; Alcon - Consultant, Speaker; Allergan - Consultant, Speaker; AstraZeneca - Speaker; GSK - Consultant, Speaker; JDP Therapeutics - Consultant; Pfizer - Consultant; PMD Healthcare - Consultant; Proctor and Gamble - Consultant; Sanofi Aventis - Consultant; Sunovion - Speaker, Consultant; Takeda - Speaker

Miguel Blanca, MD PhD

Hospital Reg. Univ. Carlos Haya (MD, PhD)

Eugene R. Bleecker, MD FAAAAI

Wake Forest School Medicine (Professor & Director, Genomics & Personalized Med Research)

Competing Relationships: NIH grants - awardee thru my institution; AstraZeneca - consultant; Boehringer-Ingelheim-Pfizer - consultant; Centocor-Johnson & Johnson - consultant; Genentech-Novartis - consultant; GlaxoSmithKline - consultant; Merck - consultant

William R. Blouin, ARNP

Miami Children's Hospital (ARNP)

Consultant: Member of focus group of Immune Deficiency Foundation Nurse Advisory Committee to Bioscript in 2011

Organizational: Immune Deficiency Foundation - Member of Nurse Advisory Committee

Bruce S. Bochner, MD FAAAAI

Johns Hopkins University School of Medicine (Professor of Medicine and Director)

Competing Relationships: Sanofi-Aventis - Consulting; United States Diagnostic Standards - Consulting; proceeds given to my university; UpToDate - Editor-in-Chief, Allergy and Immunology; Editor-Adult Allergy and Asthma; proceeds given to JHU; NIH - RO1 and other research grants; Allakos, Inc - Founders stock and scientific advisory board; Elsevier - Co-editor, Middleton's Allergy text book; Merck - Scientific Advisory Board; TEVA/Cephalon - Consulting

Organizational: AllerGen NCE - International Scientific Advisory Committee member; Clinical Translational Medicine, Journal of Cell Death, Asthma Allergy Immunol - Associate Editor or Editorial Board; Collegium Internationale Allergologicum - Secretary General, unpaid; JACI - Associate Editor

Consultant: Medicis, Regeneron, Genentech, GlycoFi, Roche, TEVA

S. Allan Bock, MD FAAAAI

Boulder Valley Asthma and Allergy Clinic (Doctor)

Organizational: Food Allergy and Anaphylaxis Network - Member, Medical Advisory Board; National Jewish Health - I am a volunteer faculty member, my title is research affiliate.

Mark Boguniewicz, MD FAAAAI

National Jewish Health (Professor)

Advisory Board: Regeneron; PuraCap Pharmaceuticals

Competing Relationships: NIH - salary support

Consultant: Unilever

Organizational: ACAAI - Member, Speaker at Annual Meeting

Patrizia Bonadonna, MD CME

Allergy Unit Azienda Ospedaliera Universitaria Integrata of Verona Italy (MD)

Vincent R. Bonagura, MD FAAAAI

North Shore-LIJ Health System (Chief, Division of A/I)

Advisory Board: CSL Behring

Competing Relationships: NIH - Principle Investigator; Annals of Allergy Asthma and Immunology - Associate Editor

Speaker: Baxter

Rana S. Bonds, MD FAAAAI

University of Texas Medical Branch (Assistant Professor)

Organizational: ACAAI - Committee member

Jeanette Booker

Arizona Allergy Associates (Practice Administrator)

Larry Borish, MD FAAAAI

University of Virginia (Professor in Medicine)

Organizational: AAAAAI - Committee; ACAAI - Committee; CIS - Committee

Competing Relationships: GSK - Grant Recipient (institutional); Dupont - Grant Recipient (institutional); Endo Pharmaceuticals - Consulting; Merck - Honoraria

Konrad Bork, MD

University of Mainz, Mainz, Germany (MD)

Consultant: CSL Behring; Shire; ViroPharma

Belinda Borrelli, PhD

Lifespan Centers for Behavioral and Preventive Medicine (Professor)

Competing Relationships: NIH - Research grants

Mary Kay Bossard, BS RRT AE-C

Cleveland Clinic Respiratory Institute (Education Coordinator, Asthma Center)

Organizational: ACAAI - honorarium

Speaker: Pharmaxis

Louis-Philippe Boulet, MD FRCPC

Institut Universitaire de Cardiologie et de Pneumologie de Québec (IUCPQ) (Respirologist)

Competing Relationships: Asmacure - Research funding for participating in multicenter studies; AstraZeneca - Research funding for participating in multicenter studies; Boehringer-Ingelheim - Research funding for participating in multicenter studies; Genentech - Research funding for participating in multicenter studies; GlaxoSmithKline - Research funding for participating in multicenter studies; ONO Pharma - Research funding for participating in multicenter studies

Organizational: Canadian Thoracic Society - Chair of the CTS Respiratory Guidelines Committee; GINA - Chair of GINA Guidelines Dissemination & Implementation Committee; Laval University - Holder of the Laval University Chair on Knowledge Transfer, Prevention and Education in Respiratory and Cardiovascular Health; InterAsma - 3rd Vice-President

Joshua A. Boyce, MD FAAAAI

Brigham and Women's Hospital (Albert L. Sheffer Prof of Medicine; Director, Inflammation and Allergic Disease Research Section)

Competing Relationships: Merck - Grant support

Organizational: Calcimedica - Consultant; LPath, Inc. - Consultant

Anne M. Brauweiler

National Jewish Health

Heimo Breiteneder, PhD

Medical University of Vienna (University Professor)

David H. Broide, MB ChB FAAAAI

University of CA - San Diego (Professor of Medicine)

Competing Relationships: NIH - Grant recipient; NIH ITN - Member; DOD - Grant recipient
Consultant: Ambit Bioscience; Guidepoint Global

Edward G. Brooks, MD

Univ. TX Health Sciences Center San Antonio (Professor)

Organizational: Asthma Coalition of Texas - Environment Committee

Speaker: Texas Academy of Family Physicians

Research Grant: United Allergy Services

Conflict Resolution: I serve on the United Allergy Services Advisory Board and have a research grant (laboratory testing agreement) for a clinical trial they are conducting. This conflict has been resolved in that I am blinded to the clinical trial results and provide coded testing results for their analysis.

Competing Relationships: NIAID - Research Grant; Merck and Co., Inc. - Speaker's Bureau

Advisory Board: United Allergy Services

Consultant: French National Research Agency

Stuart M. Brooks, MD

University of South Florida (Adjunct Professor)

David A. Brown, MD

Allergy Partners, PA (President and Chief Executive Officer)

Competing Relationships: Merck - speakers' bureau

Sara J. Brown, MBChB MRCP MD

University of Dundee (Wellcome Trust Intermediate Clinical Fellow and Honorary Consultant Dermatologist)

Competing Relationships: Wellcome Trust - Grant-giving body; National Children's Research Centre, Dublin - Grant-giving body

Conflict Resolution: The Wellcome Trust and NCRC Dublin have no involvement in study design, data acquisition, interpretation or reporting of my research.

John Browning, MD

CHRISTUS Santa Rosa Children's Hospital (Chief of Pediatric Dermatology)

Advisory Board: TopMD

Organizational: Society for Pediatric Dermatology - Board Member; Pediatric Dermatology - Editorial Board

Competing Relationships: Galderma - Speaker

Terri F. Brown-Whitehorn, MD

Children's Hospital of Philadelphia (Assistant Professor of Clinical Pediatrics)

Competing Relationships: DBV technologies - PI from study

Paul J. Bryce, PhD

Northwestern University (Associate Professor)

Competing Relationships: National Institutes of Health - Grant Support

Don A. Bukstein, MD

recently left Dean Clinic starting own business (physician)

Organizational: American Medical Association - Speaker grants; American Thoracic Society - Speaker Grants; Wisconsin State Medical Society - Research grants

Ulysses W. Burley, III, MPH

Northwestern University (Clinical Research Associate)

William W. Busse, MD FAAAAI

University of Wisconsin School of Medicine and Public Health (Professor of Medicine)

Consultant: Amgen; Novartis; GlaxoSmithKline; MedImmune; Genentech

Advisory Board: Merck; Boston Scientific (Data Monitoring Board); Genentech (Data Monitoring Board); ICON (Study Oversight Committee)

Competing Relationships: NIH-NIAID - Principal Investigator; NIH-NHLBI - Principal Investigator

Joseph H. Butterfield, MD FAAAAI

Mayo Clinic (Consultant)

Joana Sa Caiado, MD

Santa Maria Hospital (Immunoallergology Physician Attendant)

Christopher W. Calabria, MD

Dilley Allergy and Asthma, San Antonio, TX (Allergist/Immunologist)

Moises A. Calderon, MD PhD

Imperial College (Head of Clinical Trials Unit)

Jason W. Caldwell, DO FAAAAI

Wake Forest University College of Medicine (Assistant Professor of Internal Medicine and Pediatrics)

Julie M. Caldwell, PhD

William J. Calhoun, MD FAAAAI

University of TX Medical Branch (Professor and Vice Chair)

Competing Relationships: Alcon Laboratories - Grant; Bronchial Thermoplasty - Grant; Genentech - Consulting; NIH / NHLBI - Grants (ACRN, R01, CTSA)

Organizational: FDA - Pulmonary Allergy Drug Adv Cmte ad hoc; NIH / CSR - Permanent Member, IRAP Study Section

Paloma Campo, MD PhD

Servicio Andaluz de Salud (Andalusian Health Department) (Allergy Specialist)

Brendan J. Canning, PhD

Johns Hopkins Asthma and Allergy Center (Associate Professor of Medicine)

Organizational: American Thoracic Society - Programming committee member

Suzanne K. Carlisle, RN BSN CCRP

University of Arkansas for Medical Sciences (Clinical Research Coordinator)

Warner W. Carr, MD FAAAAI

Allergy and Asthma Associates of Southern California, Southern CA Research (Partner, Medical Director)

Competing Relationships: Alcon - Speaker, and Consultant; AstraZeneca - Speaker; MEDA - Speaker and consultant

Organizational: ACAAI - Committee member and chair, Board of Regents member; Certified Allergists - Board Member; CSAAI (California Allergy) - Delegate and Board Member; WSAAI (Western Allergy) - Board Member

Melody C. Carter, MD

National Institutes of Health/NIAID/LAD (Staff Clinician)

Organizational: National Medical Association - Member, Allergy Committee

Paul M. Carter, MD MHCM FAAAAI

Allergy Partners (Physician)

Andre Cartier, MD FAAAAI

Hopital Du Sacre-Coeur De Montreal (Clinical Professor, Faculty of Medicine, University of Montreal)

Competing Relationships: Merck-Frosst - Speaker; advisory board; Novartis - speaker-advisory board

Thomas B. Casale, MD FAAAAI

Creighton University School of Medicine (Chief, Allergy/Immunology)

Organizational: American Thoracic Society - Committee Member; Respiratory and Allergic Diseases Foundation - VP; ERS, Eur Resp J - Editorial Board

Advisory Board: Novartis; Genentech; Boehringer Ingelheim Corp; Circassia

Consultant: MedImmune; Capnia, Inc; Stallergenes; Cytos; Asmacure

Honorarium/Gift: Alk-Abello; Parexel; Wolters Kluwer, Inc; Up To Date

Mario Castro, MD MPH

Washington University (Professor of Medicine and Pediatrics)

Competing Relationships: ALA - PI; Astmatx/Boston Scientific - Consulting, speaker; Genentech - Speaker, Advisory Board; NIH - PI or Co-investigator; Boehringer-Ingelheim - Speaker; GSK - Speaker
Conflict Resolution: I will fully disclose my conflicts in all talks. I will equally discuss all products in an area when able.
Organizational: ALA - Board member/Chair Scientific Adv Comm; American Lung Association of Central States - Board member; International Med Asst Foundation - Board member; St Louis Regional Asthma Consortium - Board member; St. Louis Regional Asthma Consortium - Treasurer, Board Member

Jean-Christoph Caubet, MD

University Hospital of Geneva (Clinical instructor)

Christina Chambers, PhD MPH

UCSD School of Medicine (Professor Pediatrics, Family and Preventive Medicine)

Competing Relationships: Abbott - Co PI of research grant; Amgen - PI of research grant; Bristol Myers Squibb - PI of research grant; Glaxo Smith Kline - PI of Research Grant; Heritage - PI of Research Grant; Kali - PI of Research Grant; Novartis - PI of Research Grant; Orexigen - Consultant; Roche Genentech - PI of Research Grant; Sandoz - PI of Research Grant; UCB Pharma - PI of Research Grant

Alice Chan, MD PhD

University of California, San Francisco

Wan-Yin Chan, MD

CHOC Children's Specialists (Allergist/Immunologist)

Martin D. Chapman, PhD FAAAAI

Indoor Biotechnologies, Inc. (President)

Organizational: Virginia Biotechnology Organization - Board of Directors; WHO/IUIS Allergen Nomenclature Committee - member; WHO/IUIS Allergen Standardization Committee - member

Competing Relationships: INDOOR BIOTECHNOLOGIES INC - Founder and CEO; Indoor Biotechnologies, Ltd., U.K. - Director; National Institutes of Health - R01 Research Grant Awards

James E G Charlesworth

Imperial College (PhD Student)

B. Lauren Charous, MD FAAAAI

Advanced Healthcare, SC (Director, Cough and Sinus Center)

Mirna Chehade, MD

Mount Sinai School of Medicine (Assistant Professor of Pediatrics)

Chaoyu Chen, MS

Karin Chen, MD

University of Utah (Instructor)

Competing Relationships: NIH - Research grant

Laurence E. Cheng, MD PhD

University of California (Assistant Professor)

Dorothy S. Cheung, MD FAAAAI

Medical College of Wisconsin (Assistant Professor)

Competing Relationships: Merck, Inc. - Investigator initiated research grant; American Thoracic Society Foundation - Research grant

Conflict Resolution: I will avoid making any recommendations without citing published sources in any of my presentations.

Ginger L. Chew

Columbia University; Centers for Disease Control and Prevention (Epidemiologist)

William Kinvui Chin, MD

US Navy (Staff Allergist/Internist)

Ivan Chinn, MD

Duke University Medical Center

Speaker: Baxter Healthcare

Seong Ho Cho, MD

Northwestern University (Assistant Professor)

Chris Choi

Badrul A. Chowdhury, MD PhD FAAAAI

U.S. Food and Drug Administration (Director, Division Of Pulmonary and Allergy Drug Products)

Sandra C. Christiansen, MD FAAAAI

Kaiser Permanente Medical Grp AIM

Consultant: BioCryst; CSL; Behring; Novartis

Competing Relationships: Dyax - Consultant; Sanofi-Aventis - Speakers' Bureau; Shire - Consultant and Research Grant Institution

G. Lynn Christie, MS RD

Arkansas Children's Hospital (Research Project Manager Dietitian)

Christina E. Ciaccio, MD

Children's Mercy Hospital (Assistant Professor)

Marco Cicardi, MD

Università Degli Studi Di Milano (Professor)

Advisory Board: ByoChrist; Isis Pharma; Pharming

Competing Relationships: CSL Behring - Invited speaker, advisory board; Shire HGT - Invited Speaker, advisory board; Sigma Tau - Consultancy agreement; SOBI - Invited speaker, advisory board; Viro Pharma - Invited speaker, advisory board

Michael H. Clayton, MD FAAAAI

Self-Employed (Solo Private Practice)

Organizational: ACAAI - Fellow; AMA - Member; New Mexico Medical Society - Member; NMAS - Member

Chris Cleveland, MD

University of Colorado/National Jewish Health

Donald W. Cockcroft, MD FAAAAI

University of Saskatchewan (Professor)

Competing Relationships: AllerGen National centres of excellence - Establishment award; SHRF - Co-investigator (J. Lawson PI) prevalence and severity of asthma in north central Saskatchewan; AMGEN - AMG 157 effect in allergen induces asthmatic responses; SHRF - airway research group development grant \$100K/yr 2011-2014; ONO - ONO 6950 vs montelukast vs placebo effect on allergen challenge; Novartis - effect of QGE031 on allergen challenger

Organizational: AAAAAI - Member asthma diagnosis committee; Allergy asthma and clinical immunology (CSACI Journal) - Contributing editor; Annals of Allergy Asthma and Immunology - editorial board; ATS & ERS - bronchoprovocation guideline task force; ERS - Member assembly #5 Inflammatory airway disease and clinical allergy; Health Canada - Member scientific advisory committee on respiratory and allergy therapies (SAC-RAT); respiratory medicine - editorial advisory board member

Christopher D. Codispoti, MD

Rush University Medical Center (Assistant Professor)

Noam A. Cohen, MD PhD

University of Pennsylvania (Assistant Professor)

Speaker: G. Pohl Boskamp

Advisory Board: Sunovion

Competing Relationships: G. Pohl Boskamp - Speaker; G. Pohl Boskamp - sponsor of preclinical laboratory studies

Research Grant: G. Pohl Boskamp

Sherri S. Cohen, MD MPH

The Children's Hospital of Philadelphia (Medical Director, Pediatric Feeding & Swallowing Center)

Limone C. Collins, Jr., MD

Walter Reed National Vaccine Healthcare Center (Deputy Director)

Margaret H. Collins, MD

Cincinnati Children's Hospital (Professor of Pathology)

Competing Relationships: Ception Therapeutics - Subcontract on eosinophilic esophagitis drug trial; GlaxoSmithKline - Subcontract on eosinophilic esophagitis drug trial; Meritage Pharma Inc - Consultancy agreement for central pathology review of biopsies for eosinophilic esophagitis drug trial

Organizational: American Partnership for Eosinophilic Disorders - Member, Medical Advisory Board; The International Gastrointestinal Eosinophil Researchers - Member, Executive Committee; Registry for Eosinophilic Gastrointestinal Disorders - Member, Executive Committee, Pathology and Regulatory Subcommittees

Scott P. Commins, MD PhD

University of Virginia (Assistant Professor of Medicine)

Competing Relationships: NIH - research grant

Honorarium/Gift: UpToDate

Organizational: ACAAI - Committee member

Antonio Condino-Neto, MD PhD

University of Sao Paulo (Professor of Experimental Medicine)

Edward O. Corazalla, MS RPFT

University of MN (Pulmonary Lab Director)

Organizational: American Lung Association of Minnesota - Instructor and co-chair of the COPD coalition. Member of the asthma coalition

Jonathan Corren, MD

Allergy Medical Clinic/Allergy Research Foundation (Assoc Cl Prof Med)

Research Grant: TEVA Reslizumab clinical trial

Chris J. Corrigan, MD PhD FAAAAI

King's College London School Medicine (Professor)

Advisory Board: Teva Pharmaceuticals

Honorarium/Gift: Novartis Pharmaceuticals

Organizational: British Society for Allergy and Clinical Immunology - Council Member; Joint Committee for Higher Medical Training (UK) - Chair of JCHMT Specialist Advisory Committee on Immunology and Allergy

Speaker: GlaxoSmithKline; Allergy Therapeutics

Ronina A. Covar, MD

National Jewish Health (Associate Professor)

Competing Relationships: National Heart Lung Blood Institute - Investigator; Boehringer-Ingelheim - Investigator;

GlaxoSmithKline - Investigator

Amanda Louise Cox, MD

Mount Sinai School of Medicine (Assistant Professor)

Advisory Board: MYLAN

Ruan R. Cox, Jr.

University of South Florida

Peter S. Creticos, MD FAAAAI

Creticos Research Group (Director of Clinical Research)

Consultant: UpToDate Section Editor

Organizational: ACAAI - Committee assignments

Competing Relationships: AHRQ - Grant; Greer - Clinical research; Merck/Schering-Plough - Clinical research; Greer -

Consulting; Merck - Consulting; Circassia - Consulting; Circassia - Research

Laura E. Crotty Alexander, MD

VA San Diego Healthcare System (Assistant Professor)

Organizational: ATS - Training Committee; ATS - Allergy Immunology & Inflammation Membership Committee

Don J. Cui, PA-C AE-C

HSHS Medical group (Physician Assistant)

Charlotte Cunningham-Rundles, MD PhD FAAAAI

Mt. Sinai Medical Center (Prof. Med., Peds. and Immunobio.)

Competing Relationships: Octapharma - grant for research; Baxter Healthcare - Medical Advisory Board; Grifols - Medical Advisory Board; Merck - consultant; CSL Behring - Medical Advisor; ADMA - Clinical trial

Organizational: IDF - Medical Board

Adnan Custovic, MD PhD FAAAAI

The University of Manchester (Professor of Allergy)

Competing Relationships: GlaxoSmithKline - Speaker

Speaker: Takeda; Thermo-Fisher Scientific

Organizational: EAACI - President of Asthma Section

Sven-Erik K. Dahlén, MD PhD

Karolinska Institutet (Professor and Director)

Jennifer M. Darr, MSW LCSW

National Jewish Health (LCSW)

Carla M. Davis, MD

Baylor College of Medicine (Assistant Professor of Pediatrics)

Honorarium/Gift: Nutricia

Speaker: Nutricia

Ray S. Davis, MD FAAAAI

Allergy Consultants, PC (President)

Competing Relationships: Alcon, Merck, Ciba Vision, Meda, Teva, Sunovian, Neohealth & Sepracor - Consulting & honoraria for speaking for all companies together is < \$10,000.

Karen L. Gregory, DNP APRN-BC RRT AE-C

Oklahoma Allergy and Asthma Clinic (Pulmonary Disease Management Specialist Advanced Practice Nurse DNP)

Leon Greos, MD FAAAAI

CO Allergy and Asthma Centers

Carl Grimes

IAQA (Immediate Past President)

Kathryn E. Grimshaw, RD

Southampton General Hospital (Research Fellow)

Consultant: Nutricia Ltd for meeting 'state of the art' of infant feeding and allergy development'

Speaker: Nutricia Ltd for lecture entitled 'Dietary management of food allergy'

Marshall Paul Grodofsky, MD FAAAAI

CT Asthma & Allergy Center LLC (Partner)

Organizational: New England Society of Allergy - President-elect; RSL Board of Governors - Governor Region 1

Marion E. Groetch, MS RD

Mt. Sinai School Medicine (Director of Nutrition Services, Jaffe Food Allergy Institute)

Organizational: IAFFPE - MAB

Speaker: Nutricia

Consultant: Nutricia North America

Gary N. Gross, MD FAAAAI

Dallas Allergy and Asthma Center (staff physician)

Organizational: ACAAI - Committee member

Competing Relationships: Boehringer - Grant/research support; GSK - Grant/Research Support; Sunovion - Grant/research support/speaker/consultant; Amgen - Grant/research support; AstraZeneca - Grant/Research Support; Forest - grant/research; JCAAI - Executive VP; Merck - Grant/Research support, Speakers Bureau; Novartis - Grant/Research Support; TEVA - speakers bureau/consultant; ARRAY - grant/research support; Rigel - grant/research support

Rebecca S. Gruchalla, MD PhD FAAAAI

Univ. Texas Southwestern Medical Center (Professor of Medicine and Pediatrics)

Organizational: FDA - Ad-hoc member of the Allergenic Products Advisory Committee of the Food and Drug Administration.

Theresa W. Guilbert, MD

University of Wisconsin-Madison (Associate Professor of Pediatrics)

Research Grant: Abbott Laboratories – sub-investigator; Array Biopharma- sub-investigator; Mylan- sub-investigator; Forest Research Institute- sub-investigator; GSK & Development Limited- sub-investigator; Medimmune- sub-investigator

Competing Relationships: CDC - research grant indirect funds to salary; DHHS - research grant indirect funds to salary; Glaxo-Smith-Kline - DSMB member for asthma trial; NIH - research grant indirect funds to salary; TEVA - Advisory Board Member

Conflict Resolution: As requested, I will focus on the content of the presentation and include recommendations from multiple and balanced sources citing evidence base medicine.

Honorarium/Gift: UpToDate

Organizational: AAP - pediatric pulmonary subboard committee member; ATS - pediatric assembly member

Dewey F. Hahlbohm, PA-C AE-C

Allergy & Asthma Center (Physicians Assistant)

Ashley Marie Hall, MD

University of Mississippi Medical Center (Fellow)

Daniel L. Hamilos, MD FAAAAI

Massachusetts General Hospital (Associate Professor of Medicine)

Competing Relationships: NIH - Research grant support

Robert G. Hamilton, PhD FAAAAI

Johns Hopkins University School of Medicine (Professor of Medicine and Pathology)

Advisory Board: Hycor Biomedical

Joseph K. Han, MD

Eastern Virginia Medical School (Associate Professor)

Cheryl S. Hankin, PhD

BioMedEcon (President and Chief Scientific Officer)

Competing Relationships: AAAAAI - Grant funding; ACAAI - Grant funding; Teva - Consulting

Conflict Resolution: Expert peer review of all research.

Tina V. Hartert, MD MPH

Vanderbilt University School Medicine (Associate Professor of Medicine)

Competing Relationships: NIH - Research Grants

Organizational: American Thoracic Society - Associate Editor, American Journal of Respiratory and Critical Care Medicine

David W. Hauswirth, MD FAAAAI

The Ohio State University (Assistant Professor-Clinical)

Organizational: ACAAI - committee member; kids with food allergies - medical advisory team member

Mary Lou Hayden, RN MS FNP-C AE-C

University of Virginia (Nurse Practitioner(APN))

Competing Relationships: Genentech - speaker; Mylan - speaker, advisory board; Pharmaxis - speaker; TEVA - speaker, advisory board

Abdellah Hedjoudje

Universite Paris Descartes

Jonathan Hemler

James J. Herman, MD FAAAAI

Allergy and Asthma Clinic of West Texas (Allergist)

Michelle L. Hernandez, MD

UNC Chapel Hill (Assistant Professor)

Vivian P. Hernandez-Trujillo, MD FAAAAI

Miami Children's Hospital (Director, Division of Allergy/Immunology)

Advisory Board: Baxter

Speaker: Merck/Schering- Claritin Council; Sanofi; Baxter

Organizational: ACAAI - Member of CME committee

Conflict Resolution: I will use evidence based medicine in my presentations to ensure a fair and balanced presentation.

Peter W. Heymann, MD

University of Virginia (Prof Peds)

Competing Relationships: National Institutes of Health - research funding; The Cove Point Foundation - research funding;

Novartis Pharmaceuticals - research funding
Organizational: Asthma and Allergy Foundation of America (AAFA) - Board of Directors

Harry R. Hill, MD

University of Utah, Department of Pathology/ Consultant to ARUP Laboratories, a non profit entity w (Professor of Pathology, Pediatrics and Medicine)

Wade G. Hill, PhD APRN

Montana State University (Associate Professor)

Philippa Hillyer

US food & Drug Administration (Visiting Associate)

Ikuo Hirano, MD

Northwestern Memorial Faculty Foundation (Professor of Medicine)

Competing Relationships: National Institutes of Health - Investigator; Meritage pharma - Clinical trial

Shuk-Mei Ho, PhD

University of Cincinnati Medical Center (Jacob G. Schmidlapp Professor and Chair)

Mary Beth Hogan, MD FAAAAI

University of Nevada (Professor of Pediatrics)

Simon P. Hogan, PhD

Cincinnati Children's Hosp. Med. Ctr. (Associate Professor of Pediatrics)

Competing Relationships: NIH - Research grant

Consultant: Immune Pharmaceuticals

Mark Holbreich, MD FAAAAI

self (Physician)

Teri Holbrook, CRNP

Johns Hopkins University (CRNP)

Steven M. Holland, MD

Lab. of Clinical Infectious Diseases NIAID NIH (Chief)

Organizational: Clinical Immunology Society - past-President; International Immunocompromised Host Society - past-president; Primary Immune Deficiency Foundation - Board; USIDNET - Steering Committee

John W. Hollingsworth, MD

Duke University Dept. Medicine- Pulmonary (Associate Professor of Medicine)

Dorothy Linn Holness, MD

University of Toronto (Professor)

Patrick G Holt, DSc

Telethon Inst for Child Health Research (Head Division of Cell Biology)

Competing Relationships: ALK Abello - Research Support; Medimmune - Research Support; NHMRC of Australia - Research support; Novartis - Research Support

Robert J. Holzauer, MD MBA FAAAAI

Allergy Partners of Central Coast California (Allergist)

Richard W. Honsinger, MD MACP FAAAAI

Los Alamos Medical Care Clinic, Ltd. (Partner)

Organizational: American College of Physicians - Council of Subspecialty Societies Member; American College of Physicians - Nominating Committee (2001-2003) Council of Subspecialty Societies (2003-3005)AAAAI rep.; FDA - Consultant; Joint Council on Allergy Asthma and Immunology - President; Los Alamos Physician Hospital Organization - President; Los Alamos Physicians Hospital Organization - President; NM Med Soc - UNM Liaison Committee - committee member; State of New Mexico, Medicaid Program - Advisory committee Member (representing NM Med Soc) Immediate past Chair (95-2003); Univ

of New Mexico-Los Alamos - Board Member; University of New Mexico School of Medicine - Clinical Professor

Anthony A. Horner, MD FAAAAI

Univ. CA-San Diego School of Medicine (Associate Professor)

W. Elliott Horner, PhD LEED AP FAAAAI

UL- Air Quality Sciences Inc. (Lead Scientist)

Competing Relationships: as UL - AQS employee - provided litigation support in mold related cases

Organizational: ASTM Int'l - member of Sub-committees writing guides for microbial analysis in buildings and for testing materials for microbial resistance; Indoor Air Quality Association - member of Board of Directors

Druhan L. Howell, MD

University of South Alabama (Asst. Professor)

Joy Hsu, MD

Northwestern University Feinberg School of Medicine

Lili Huang, MPH

Johns Hopkins University (Data Analyst)

Silvia Huebner, MD

US Army (physician)

Gary B. Huffnagle, PhD

University of Michigan Medical School (Professor)

Competing Relationships: NIH - Granting agency; Sidley Austin LLP - Expert Witness

Claudia C.K. Hui

McMaster University (PhD Candidate)

Keith M. Hull, MD

FDA

Tracy Hwangpo, MD PhD

University of Alabama Birmingham

Marc D. Ikeda, MD

Children's Hospital of Pittsburgh of UPMC

Stocks: Insite Vision; Pozen

Anne-Marie A. Irani, MD FAAAAI

VA Commonwealth Univ. Health Systems (Prof. Ped./Med., Chair Ped. Al./Imm.)

Competing Relationships: Phadia - VA Commonwealth Univ receives royalties that are shared with Dr. Lawrence Schwartz (spouse); Bioproducts Laboratories Ltd - research grant; NIH - SARP research grant; Merck - Speaker's bureau; Meritage - research grant; Nutricia Liverpool - research grant; University of Virginia - research contracts

Consultant: American Board of Allergy and Immunology

Organizational: AAP section on AI - Executive committee; ABAI - Ad Hoc Director; ABMS - Board of Director; Program Directors Committee - Executive committee

Advisory Board: Sanofi

Alan David Irvine, MD

Our Lady's Children's Hospital (Professor/Consultant Dermatologist)

Faoud Terrence Ishmael, MD PhD

Penn State University College of Medicine (Assistant Professor of Medicine)

Daniel J. Jackson, MD

University of Wisconsin School of Medicine and Public Health (Assistant Professor of Pediatric Allergy & Immunology)

Consultant: GlaxoSmithKline

Competing Relationships: NIH - UW Institute for Clinical and Translational Research - KL2 Scholar

John M. James, MD FAAAAI

CO Allergy and Asthma Centers, PC (Physician Specialist, Allergy, Asthma and Immunology)

Organizational: American Academy of Pediatrics - Member of the National Conference and Exhibition planning group; American Board of Allergy and Immunology - Board Member; Food Allergy and Anaphylaxis Network - Member of the Medical Advisory Board; Parents of Asthmatic and Allergic Children Support Group, Fort Collins, CO - Medical Director

Kirsi M. Jarvinen-Seppo, MD PhD

Albany Medical College (Assistant Professor)

Competing Relationships: NIH/NIAID - Research grant

Waqas Jehangir

The Children Hospital of Michigan (Research Assistant)

Maria C. Jenmalm, PhD

Linkoping University (Professor)

Christine Cole Johnson, PhD MPH FAAAAI

Dept of Public Health Sciences, Henry Ford Hospital (Department Chairman, Senior Staff Epidemiologist)

Competing Relationships: NIH - I receive funds as a PI and Co-I.

Sarah Johnson

American Board of Allergy and Immunology (Manager of IT)

Sebastian L. Johnston, MD PhD

Imperial College London (Professor Of Respiratory Medicine)

Competing Relationships: Chiesi - Consultancy; Centocor - Consultancy; Sanofi-Pasteur - Consultancy; Synairgen - Consultancy; GSK - Consultancy; Boehringer Ingelheim - Consultancy; Grunenthal - Consultancy; Novartis - Consultancy

Stacie M. Jones, MD

UAMS/Arkansas Children's Hospital (Chief & Professor, Allergy & Immunology)

Competing Relationships: Food Allergy and Anaphylaxis Network - Grantee; National Institutes of Health - Grantee; Food Allergy Initiative - Grantee

Organizational: Food Allergy & Anaphylaxis Network - Medical Advisory Board; St. Louis Children's Hospital Food Allergy Management & Education (FAME) - Board of Directors

Marek Jutel, MD PhD

Wroclaw Medical University (professor)

Competing Relationships: Stallergene - Investigator's fee; Allergopharma Joachim Ganzer KG - Investigator's fee; Vectura - Investigator's fee

Organizational: EAACI - Scientific Programme Committee Chairman; EAACI - Executive Committee Member at Large

Amir F. Kagalwalla, MD

Stroger Hospital of Cook County and Children's Memorial Hospital (Associate Professor of Pediatrics)

Michael A. Kaliner, MD FAAAAI

institute for asthma and allergy (medical director)

Speaker: Sanofi; Teva

Competing Relationships: Genentech - Speaker; Meda - Consultant; Sunovian - Consultant; Williams and Connolly - legal consulting

Consultant: Alcon

Organizational: Strategic Pharmaceutical Advisors - Consultant

Yoshihide Kanaoka, MD PhD

Brigham and Women's Hosp Harvard Med Sch (Assistant Professor)

Allen P. Kaplan, MD FAAAAI

Retired from Clinical Practice (Professor of Medicine, Med Univ of SC)

Competing Relationships: Shire pharmaceuticals - research grant; Behring Diagnostics - consultant, research grant; Dyax Corp - speakers bureau, research grant; Robert Michael Educational Institute - Member of Speakers Bureau; ViracorIBT - consultant regarding chronic urticaria

Mark H. Kaplan, PhD

Indiana University School of Medicine (Professor)

Competing Relationships: NIH - grant support

Rohit Katial, MD FAAAAI

National Jewish Health (Professor of Medicine)

Competing Relationships: TEVA - Advisory Board

Andrew Kau, MD PhD

Washington University School of Medicine (Instructor)

Competing Relationships: NIH - Grant recipient

Stocks: Gilead Pharmaceuticals

Corinne Keet, MD

John Hopkins Hospital (Assistant Professor of Pediatrics)

Competing Relationships: NIH - Grantee

Pramod S. Kelkar, MD FAAAAI

Allergy and Asthma Care (Partner)

Kevin J. Kelly, MD FAAAAI

Medical College of Wisconsin (Professor of Pediatrics (Allergy/Immunology) & Medicine)

Research Grant: Cephalon; Kalabios; Merck

Organizational: AAAAAI - committee member; ACAAI - committee member

John M. Kelso, MD FAAAAI

Scripps Clinic (Staff Physician)
