

2016 AAAAI/ACAAI Certification/Maintenance of Certification Board Review Course

To claim your credits for attending the 2016 Board Review Course, follow these instructions:

- Navigate to education.aaaa.org
- Click 'Log in' at top of page
- Click 'I am a member or I have claimed credit through the AAAAI'
- Enter your AAAAI username and password
 - If you have forgotten your login information, click 'Forgot username or password?'
 - Enter your email address
 - You will receive an email—follow the instructions to reset your password
 - You will be redirected to the Education site
- Click 'My account' in the upper right hand corner of the page
- Click the My Activities tab
- Click the Pending Activities tab
- Click the title "2016 AAAAI/ACAAI Certification/Maintenance of Certification Board Review Course"
- Click the red 'Begin' button in the Course Summary box on the right side of the page
- Complete all the steps to claim your credits
 - If you did not review the CME Info Page and the Registration page, or complete the Pre-Assessment before attending the live course, you must still complete these steps to claim your credit.
 - After reviewing the above, you may claim your credits. On the Credit page, enter your credits earned, check the box next to the agreement, and click the red Claim Credits button. **Do not click the Next button on this page.**
 - You will receive a confirmation of credits claimed. Click the Next button on this page to be taken to a page where you can download your certificate.
 - Click the words "Download certificate." A PDF certificate will be created for you to print and/or save.
