

COURSE AGENDA

SEPT 6-8
CHICAGO, IL
2019

Friday Lectures

Epidemiology & Natural History of Food Allergy

Corinne Keet, MD MS PhD

Pathophysiology of Food Allergy

Wayne G. Shreffler, MD PhD FAAAAI

Food Allergy Cases: Clinical Presentations of Food Allergy

Scott H. Sicherer, MD FAAAAI

Food Allergy Cases: Approach to Diagnosis and Management

Stacie M. Jones, MD

Optimal Use Diagnostic Testing: Components and Oral Food Challenges

Robert A. Wood, MD FAAAAI

Anaphylaxis: Prevention and Management

Julie Wang, MD FAAAAI

Friday, September 6

Time	Session Title
11:00 – 5:30 PM	Registration
1:00 – 5:20 PM	Lectures on Overview of Food Allergy Diagnosis and Management
5:20 – 6:00 PM	Panel Discussion

Registration
opens on
January 7, 2019!

Saturday, September 7

Saturday Lectures

Time	Session Title
7:00 – 11:00 AM	Registration
8:00 – 10:00 AM	Lectures on Specific Syndromes
10:15 – 11:00 AM	Hands-On & Discussion Breakouts
11:15 – 12:00 PM	Hands-On & Discussion Breakouts
12:00 – 1:45 PM	Lunch Break
1:45 – 3:45 PM	Lectures on the Treatment of Food Allergy
3:30 – 3:45 PM	Panel Discussion
4:00 – 4:45 PM	Discussion & Lecture Breakouts
5:00 – 5:45 PM	Discussion & Lecture Breakouts

Nuts and Bolts of Atopic Dermatitis

Donald Y. M. Leung, MD PhD FAAAAI

Non IgE Mediated Food Allergy

Anna H. Nowak-Wegrzyn, MD PhD FAAAAI

Eosinophilic Esophagitis: Optimal Diagnosis and Management

Jonathan M. Spergel, MD PhD FAAAAI

Oral Immunotherapy: Integration into Clinical Practice

Brian P. Vickery, MD FAAAAI

Epicutaneous Immunotherapy

J. Andrew Bird, MD FAAAAI

The Role of Omalizumab in Food Allergy

Kari C. Nadeau, MD PhD FAAAAI

Phase I and Phase II Clinical Trials Moving Through FDA Process

Robert A. Wood, MD FAAAAI

Risk Management in Oral Food Challenges

J. Andrew Bird, MD FAAAAI
Stacie M. Jones, MD

Anaphylaxis Management in Different Settings

Anna H. Nowak-Wegrzyn, MD PhD FAAAAI
Brian P. Vickery, MD FAAAAI

Avoidance Diets & Nutrition

Marion E. Groetch, MS RDN
Carina Venter, PhD RD

Selected Breakouts

Visit Page 3 for a full list of Saturday's breakout sessions.

10:15 – 11:00 AM

What do I need to know? Performing Oral Food Challenges in the Office Setting

Jackie Isola, CPNP
Kim E. Mudd, RN MSN CCRP
Sally A. Noone, RN MSN

Anaphylaxis Management in Different Settings

Anna H. Nowak-Wegrzyn, MD PhD FAAAAI
Brian P. Vickery, MD FAAAAI

Case Based Approach to Testing for Food Allergy

A. Wesley Burks, MD FAAAAI
Scott H. Sicherer, MD FAAAAI

Patterns of Cross-Reactivity in Food Allergy

Corinne Keet, MD MS PhD
Robert A. Wood, MD FAAAAI

Risk Management in Oral Food Challenges

J. Andrew Bird, MD FAAAAI
Stacie M. Jones, MD

Avoidance Diets & Nutrition

Marion E. Groetch, MS RDN
Carina Venter, PhD RD

Essentials of Education for Patients

Anne M. Hiegel, APRN
Pamela H. Steele, MSN CPNP AE C

11:15 AM – 12:00 PM

Oral Food Challenges in the Office Setting

Jackie Isola, CPNP
Kim E. Mudd, RN MSN CCRP
Sally A. Noone, RN MSN

Anaphylaxis Management in Different Settings

Anna H. Nowak-Wegrzyn, MD PhD FAAAAI
Brian P. Vickery, MD FAAAAI

Case Based Approach to Testing for Food Allergy

A. Wesley Burks, MD FAAAAI
Scott H. Sicherer, MD FAAAAI

Atopic Dermatitis: Optimal Management and the Role of Food Allergy

Donald Y. M. Leung, MD PhD FAAAAI

Risk Management in Oral Food Challenges

J. Andrew Bird, MD FAAAAI
Stacie M. Jones, MD

Avoidance Diets & Nutrition

Marion E. Groetch, MS RDN
Carina Venter, PhD RD

Essentials of Education for Patients

Anne M. Hiegel, APRN
Pamela H. Steele, MSN CPNP AE C

Saturday Breakout Sessions

4:00 – 4:45 PM

Epicutaneous and Other Treatment Approaches

J. Andrew Bird, MD FAAAAI
Stacie M. Jones, MD

Oral Immunotherapy

A. Wesley Burks, MD FAAAAI
Robert A. Wood, MD FAAAAI

What Happens After the Research Study?

Kim E. Mudd, RN MSN CCRP
Sally A. Noone, RN MSN

Avoidance Diets for Atopic Dermatitis and EOE

Marion E. Groetch, MS RDN
Carina Venter, PhD RD

Introduction of Baked Milk and Egg

Corinne Keet, MD MS PhD
Anna H. Nowak-Wegrzyn, MD PhD FAAAAI

Future Diagnostic Testing

Kari C. Nadeau, MD PhD FAAAAI
Wayne G. Shreffler, MD PhD FAAAAI

5:00 – 5:45 PM

The Use of Biologics in Food Allergy

Kari C. Nadeau, MD PhD FAAAAI
Wayne G. Shreffler, MD PhD FAAAAI

Oral Immunotherapy

A. Wesley Burks, MD FAAAAI
Robert A. Wood, MD FAAAAI

Introduction of Baked Milk and Egg

Corinne Keet, MD MS PhD
Anna H. Nowak-Wegrzyn, MD PhD FAAAAI

Complimentary Medicine and Non-Traditional Approaches to Food Allergy Treatment

Christina E. Ciaccio, MD FAAAAI
Julie Wang, MD FAAAAI

Management of Severe Atopic Dermatitis

Donald Y. M. Leung, MD PhD FAAAAI
Jonathan M. Spergel, MD PhD FAAAAI

Sunday, September 8

Time	Session Title
7:00 – 9:00 AM	Registration
8:00 – 9:40 AM	Lectures on Prevention and Novel Research
9:40 – 10:00 AM	Panel Discussion
10:30 – 11:30 AM	Discussion & Lecture Breakouts

Sunday Lectures

Prevention of Peanut Allergy

David M. Fleischer, MD FAAAAI

Prevention of Food Allergy: Beyond Peanut

Brian P. Vickery, MD FAAAAI

Taking This Course Back to the Clinic

Robert A. Wood, MD FAAAAI

Oral Immunotherapy: Integration into Clinical Practice

Brian P. Vickery, MD FAAAAI

Future Directions in Food Allergy Prevention

David M. Fleischer, MD FAAAAI

Scott H. Sicherer, MD FAAAAI

Food Allergy in Adults: Is Anything Different?

John M. Kelso, MD FAAAAI

Emily C. McGowan, MD PhD

Future Directions in Food Allergy Treatment

Kari C. Nadeau, MD PhD FAAAAI

Robert A. Wood, MD FAAAAI

Food Allergy Research in the Office Setting

Kim E. Mudd, RN MSN CCRP

Brian P. Vickery, MD FAAAAI

Logistics of Early Introduction of Peanut and Other Foods

Marion E. Groetch, MS RDN

Corinne Keet, MD MS PhD

Sunday Breakouts
