AAAAI Faculty Development Program

- The 2021 Faculty Development Program was held virtually October 1-2, and was attended by 17 mentees and 8 mentors.
- The Program offered a unique opportunity for fellows-in-training and junior faculty to receive personalized mentorship from established mentors with distinct perspectives on a career in academic research.
- The Program addressed the range of challenges and rewards in academic research while offering practical skills and essential support to early-career researchers.
- A Breakfast Reunion will be held at the 2022 Annual Meeting for all past Program attendees.
- The 2022 Faculty Development Program will be held in Milwaukee, WI, September 22-25, and the application site opens on March 7, 2022.
