

American College of Allergy, Asthma and Immunology (ACAAI)

SPARK program

2022 UPDATE

CHRISTOPHER CHANG, CHAIR, TPD COMMITTEE

SPARK program

Now in its 6th year

Accepts 15 candidates each year

1st or 2nd year Pediatric or Internal Medicine Residents

In 2022, we received twice as many applications as previous years

Pilot project

In 2022, the ACAAI embarked on a pilot project to increase diversity in Allergy and Immunology

Project includes accepting medical students from Historically Black Medical Colleges (HBMC)

4th, 3rd and 2nd year medical students are invited to apply and are given consideration in that order
