

Continuing Education and Accreditation

Two types of continuing education credit will be available for participants in the 2024 AAAAI Annual Meeting: *AMA PRA Category 1 CME Credits™* for physicians and Continuing Education (CE) contact hours for nurses. Not all Annual Meeting sessions may offer credit, and of those that do, not all may offer both CME and CE.

Credit Claiming: Continuing education credits and attendance certificates can be claimed online beginning Friday February 23, 2024 using the link provided on the Annual Meeting website and in the mobile app. Credit claiming will be available through December 31, 2024.

New in 2024 This year we are asking attendees to complete individual Session Evaluations, as well as the Overall Meeting Survey in order to claim credit. The surveys are accessible on the app or online.

Physicians – Continuing Medical Education (CME) Credits

Accreditation Statement

The American Academy of Allergy, Asthma and Immunology (AAAAI) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The AAAAI designates this Other activity (combination of live activity and recorded online content) for a maximum of 317.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Medical Association has determined that physicians not licensed in the U.S. who participate in this CME activity are eligible for *AMA PRA Category 1 Credits™*.

Target Audience

The AAAAI Annual Meeting is designed for clinicians, researchers, trainees/students and allied health professionals involved and/or interested in the study of allergy, asthma and immunology.

Program Objective

Upon completion of the AAAAI Annual Meeting, participants should be able to discuss the latest advances in the research, diagnosis and treatment of allergic and immunologic disease. Please refer to the individual session descriptions in this program for session-specific learning objectives.

ABAI – Continuing Medical Education (CME) Credits

The American Board of Allergy and Immunology (ABAI) requires diplomates to attest to

obtaining 25 *AMA PRA Category 1 CME Credits™* in allergy/immunology each year. AAAAI reports all CME credits it issues to physician learners to the ABAI on a quarterly basis, to be posted in learners' diplomate portals. For more information about credit requirements for ABAI Maintenance of Certification visit the ABAI website at <https://abai.org/cme.asp>.

Allied Health – Continuing Education (CE) Credits

Nurses – Continuing Education (CE) Contact Hours

The American Academy of Allergy, Asthma & Immunology (AAAAI) is a Provider, approved by the California Board of Registered Nursing, Provider #10704, for up to 317.50 Contact Hours.

Advanced Practitioners

The AAPA, ANCC and AANP accept reports from advanced practitioners of their participation in activities offering *AMA PRA Category 1 Credits™* for continuing education and credentialing purposes. For more information, please contact the appropriate organization.

Pharmacists

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Academy of Allergy, Asthma & Immunology. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

ACPE Credit Designation Statement

Amedco LLC designates this activity for a maximum of 22.25 knowledge-based CPE contact hours.

NOTE to Pharmacists: The only official Statement of Credit is the one you pull from CPE Monitor. You must request your certificate within 45 days of your participation in the activity to meet the deadline for submission to CPE Monitor. Credits are generally reported during the first week of each month for those who claimed during the month prior.

Registered Dietitians

The Commission on Dietetic Registration accepts reports from registered dietitians of their participation in activities offering *AMA PRA Category 1 Credits™* for continuing education and credentialing purposes. Contact the CDR for details on how to report completion of these activities.

Medical Administrators

Practice administrators who attend the 2024 AAAAI Annual Meeting may apply for credit through the American College of Medical Practice Executives (ACMPE). For additional information, please contact the Medical Group Management Association at www.mgma.com.

Target Audience

Health care professionals who assist with and provide care to persons with asthma, allergic and immunologic diseases, specifically: RNs, LPNs, nurse practitioners, physician assistants, respiratory therapists, medical technologists, medical assistants, clinical research coordinators, and practice managers/administrators.

Learning Objectives

Upon completion of the AAAAI Annual Meeting, participants should be able to discuss and expand upon the latest advances in medications, equipment and procedures necessary to promote health for their patients; describe and discuss new therapies, information, patient care and education in the field of allergy, asthma and immunology; identify new approaches to clinical research which will improve efficiency and effectiveness; and discuss coding and other administrative aspects of a medical practice. Please refer to the individual session descriptions in this program for session-specific learning objectives.
