

**Rebecca Saff, MD PhD FAAAAI**

Speaker Biography

Dr. Rebecca Saff is the Allergy/Immunology Fellowship Director and an Assistant Physician at Massachusetts General Hospital and an Instructor in Medicine at Harvard Medical School. She earned her MD and PhD in Immunology from Boston University School of Medicine and went on to complete her residency in Internal Medicine and Fellowship in Allergy/Immunology at MGH. Her research focus is drug allergies, particularly NSAID allergy, delayed hypersensitivity reactions, and contrast reactions. She has a strong interest in medical education and serves as Core Faculty for the Department of Medicine and as the co-chair for the Chrysalis Program through the American Academy of Allergy, Asthma, and Immunology, which provides medical students and residents an opportunity to explore A/I.
