

Core Faculty

- Each program must designate at least 2 core faculty members.
- Selected for broad knowledge and involvement in the program.
- May be selected for specific expertise (mentorship, didactics, etc.).
- Core faculty must complete the annual ACGME Faculty Survey.
- Core faculty must have 0.1 FTE designated for the training program.

Suggestions:

- Use Core Faculty to supplement your weaknesses.
- Have Core Faculty assist with mentorship and feedback.
- Empower Core Faculty to lead specific programs (Quality Improvement, Board Review course, etc.).
