## Diverse speakers

- 13 women, 9 men speakers
- Every program represented with at least one speaker
- Mix it up - allergy and immunology
- Patient experience talks
- Sponsored speakers

## Location of bootcamp

UCLA Luskin Hotel and Conference Center

## Handouts and other materials

- Slides offered online (Box)
- Printouts of slides offered in bound manual

## Social and networking aspects

## Monitoring success

- Pre-and-post questionnaires
- Make changes based on feedback
  - More networking
  - More breaks

## Plans for future years

- I feel all the fellows should have access to this
- Not all programs emphasize immunology
- Patient experience is so important
- Larger program, more states
- Train others to help

The UCLA logo, consisting of the letters "UCLA" in white, bold, sans-serif font, set against a blue rectangular background.
